

2017 – 2018 Bus Routes

Parents must be at the bus stop 10 minutes before pick up and drop off times listed below. Once the bus can be seen, children must be out of vehicles and ready to board the bus before the bus stops.

The bus is on a schedule, other parents are waiting and the bus will not wait for those who are late.

When the bus arrives at the bus stop, it will load the students then proceed on its' route to remain on the bus schedule. The bus may arrive 10 minutes before to 10 minutes after the listed times. Bus times are APPROXIMATE.

Safety and Security:

Parents to help us ensure safety and securities please introduce yourself to your child's bus driver, during the time the buses are picking up or dropping off your child/children. To help keep your child/children safe the parent or designee should go to the bus to receive your child/children. Hub Bus Stops are filled with parked cars; therefore, it makes it difficult for the bus driver to accurately know if you have arrived at the bus stop. Inform your child/children to remain on the bus if they do not see you or the designee at the bus stop.

Please allow the bus driver to cross your child/children using the PA system on the bus. Parents are welcome to come to the bus door and receive their child/children, but I ask the parents to cross with their child/children only when directed by the bus driver using the PA system. This will teach the children how to cross the street by focusing on the bus driver and listening for the bus driver to cross them.

All parents should wait until all students have moved away from the bus and in a safe location before moving their vehicle.

Do not drop your child/children off behind the bus.
