

May 14, 2020

Hello Parents and Students,

I hope you are all well. I wanted to give you an update on the National Junior Honor Society. Due to the current conditions, we will not be having a live induction ceremony for our students. With that said, we still want to recognize the achievements of our new chapter members. In order to confer membership, our chapter Faculty Council and support team will be releasing a video that will take the place of our live ceremony. The release date and time of the video is Tuesday, May 19, 2020 at 4:00pm.

Additionally, there will be a DocuSign sent along with the induction video that students must sign and email to me as another step in making their membership of our Providence Creek Academy chapter official. Please make sure your student signs and returns that document by the evening of Sunday, May 31, 2020.

Please follow the link below to set up a student account. In order for students to officially be recognized as a member by the National Junior Honor Society, they must complete a student account before June 10, 2020. Make sure it is done a few days before as I must confirm each account. The process of creating a student account will only take a few minutes.
