

Dear PCA Community,

I am sure school re-opening is at the forefront of everyone's minds. Providence Creek Academy is expecting to have the Governor's Committee Report sometime in the third week of July, which will be providing an outline of school requirements for reopening. We hope to provide you with the PCA re-opening plan, that is aligned to these recommendations shortly thereafter.

While the regulations the state provides for schools will dictate the framework of this plan, our hope is to collect as much information as possible from our stakeholders ahead of time, to ensure that when this plan is produced, it also reflects the needs of our community as a whole.

We believe that there are **three possible** scenarios for school opening and operation this fall. We believe these possible scenarios include:

- A. A **full opening** allowing everyone to return, using safety precautions to ensure the health of the PCA Community.
- B. A **modified opening** allowing only portions of our community to attend campus at one time, to ensure social distancing.
- C. A **virtual e-learning program** that would be held daily.

This [survey](#) is designed to collect your thoughts on each of these plans. Please take the survey [HERE](#) or by copy/pasting <https://forms.gle/471pec7ZdtAzz2nS8> into your browser.

Thank you so much and we truly hope we can see everyone soon.

Denise
