Any response submitted by US Mail shall be sent by either certified or registered mail. Proposals must be received at the above address no later than 3:00 PM EST on February 11<sup>th</sup>, 2022. Any response received after this date shall not be considered and shall be returned unopened. The responding vendor bears the risk of delays in delivery. The contents of any response shall not be disclosed as to be made available to competing entities during the negotiation process.

Upon receipt of vendor proposals, each vendor shall be presumed to be thoroughly familiar with all specifications and requirements of this RFQ. The failure or omission to examine any form, instrument or document shall in no way relieve vendors from any obligation in respect to this RFQ.

**3. Proposal Modifications**

Any changes, amendments or modifications to a response must be made in writing, submitted in the same manner as the original response and conspicuously labeled as a change, amendment or modification to a previously submitted proposal. Changes, amendments or modifications to proposals shall not be accepted or considered after the hour and date specified as the deadline for submission of proposals.

**4. Response Costs and Expenses**

Providence Creek Academy will not pay any costs incurred by any Vendor associated with any aspect of responding to this solicitation, including proposal preparation, printing or delivery, attendance at vendor's conference, system demonstrations or negotiation process.

**5. Late Proposals**

Proposals received after the specified date and time will not be accepted or considered. To guard against premature opening, sealed proposals shall be submitted, plainly marked with the response title, vendor name, and time and date of the response opening. Evaluation of the proposals is expected to begin shortly after the response due date. To document compliance with the deadline, the proposals will be date and time stamped upon receipt.

**6. Response Opening**

Providence Creek Academy will receive proposals until the date and time shown in this RFQ. Proposals will be opened only in the presence of Providence Creek Academy personnel and representatives. Any unopened proposals will be returned to Vendor.

There will be no public opening of proposals but a public log will be kept of the names of all vendor organizations that submitted proposals. The contents of any proposal shall not be disclosed to competing vendors prior to contract award.

**7. Non-Conforming Proposals**

Non-conforming proposals will not be considered. Non-conforming proposals are defined as those that do not meet the requirements of this RFQ. The determination of whether an RFQ requirement is substantive or a mere formality shall reside solely within Providence Creek Academy.

**8. Concise Proposals**

Providence Creek Academy discourages overly lengthy and costly proposals. It is the desire that proposals be prepared in a straightforward and concise manner. Unnecessarily elaborate brochures or other promotional materials beyond those sufficient to present a complete and

effective proposal are not desired. Providence Creek Academy's interest is in the quality and responsiveness of the proposal.

#### **9. Realistic Proposals**

It is the expectation of Providence Creek Academy that vendors can fully satisfy the scope of the proposal in the manner and timeframe defined within the proposal. Proposals must be realistic and must represent the vendor's capabilities.

#### **10. Confidentiality of Documents**

All documents submitted as part of the vendor's proposal will be deemed confidential during the evaluation process. Vendor proposals will not be available for review by anyone other than Providence Creek Academy or its designated agents. There shall be no disclosure of any vendor's information to a competing vendor prior to award of the contract.

Providence Creek Academy is a public agency as defined by state law, and as such, it is subject to the Delaware Freedom of Information Act, 29 *Del. C.* Ch. 100. Under the law, all records of Providence Creek Academy are public records (unless otherwise declared by law to be confidential) and are subject to inspection and copying by any person. Vendor(s) are advised that once a proposal is received by Providence Creek Academy and a decision on contract award is made, its contents will become public record and nothing contained in the proposal will be deemed to be confidential except proprietary information.

Vendor(s) shall not include any information in their proposal that is proprietary in nature or that they would not want to be released to the public. Proposals must contain sufficient information to be evaluated and a contract written without reference to any proprietary information. If a vendor feels that they cannot submit their proposal without including proprietary information, they must adhere to the following procedure or their proposal may be deemed unresponsive and will not be recommended for selection. Vendor(s) must submit such information in a separate, sealed envelope labeled "Proprietary Information" with the RFQ number. The envelope must contain a letter from the Vendor's legal counsel describing the documents in the envelope, representing in good faith that the information in each document is not "public record" as defined by 29 *Del. C.* § 10002(d), and briefly stating the reasons that each document meets the said definitions.

Upon receipt of a proposal accompanied by such a separate, sealed envelope, Providence Creek Academy will open the envelope to determine whether the procedure described above has been followed.

#### **11. Multi-Vendor Solutions (Joint Ventures)**

Multi-vendor solutions (joint ventures) will be allowed only if one of the venture partners is designated as the "**prime designer**". The "**prime designer**" must be the joint venture's contact point for Providence Creek Academy and be responsible for the joint venture's performance under the contract, including all project management, legal and financial responsibility for the implementation of all vendor's systems. If a joint venture is proposed, a copy of the joint venture agreement clearly describing the responsibilities of the partners must be submitted with the proposal. Services specified in the proposal shall not be subcontracted without prior written approval by Providence Creek Academy, and approval of a request to subcontract shall not in any way relieve Vendor of responsibility for the professional and technical accuracy and adequacy of the work. Further, vendor shall be and remain liable for all damages to Providence Creek Academy caused by negligent performance or non-performance of work by its subcontractor or its sub-subcontractor.

Where necessary, RFQ response pages are to be duplicated for each vendor.

**a. Primary Vendor**

Providence Creek Academy expects to negotiate and contract with only one “prime vendor”. Providence Creek Academy will not accept any proposals that reflect an equal teaming arrangement or from vendors who are co-responding on this RFQ. The prime vendor will be responsible for the management of all subcontractors.

Any contract that may result from this RFQ shall specify that the prime vendor is solely responsible for fulfillment of any contract with the State as a result of this procurement. The State will make contract payments only to the awarded vendor. Payments to any-subcontractors are the sole responsibility of the prime vendor (awarded vendor). Nothing in this section shall prohibit the Colonial School District from the full exercise of its options under Section IV.B.16 regarding multiple source contracting.

**b. Sub-Contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and major subcontractors must be identified by name. **The prime vendor shall be wholly responsible for the entire contract performance whether or not subcontractors are used.** Any sub-contractors must be approved by Providence Creek Academy.

**c. Multiple Proposals**

A primary vendor may not participate in more than one proposal in any form. Sub-contracting vendors may participate in multiple joint venture proposals.

**12. Sub-Contracting**

The vendor selected shall be solely responsible for contractual performance and management of all subcontract relationships. This contract allows subcontracting assignments; however, vendors assume all responsibility for work quality, delivery, installation, maintenance, and any supporting services required by a subcontractor.

Use of subcontractors must be clearly explained in the proposal, and subcontractors must be identified by name. Any sub-contractors must be approved by Colonial School District.

**13. Discrepancies and Omissions**

Vendor is fully responsible for the completeness and accuracy of their proposal, and for examining this RFQ and all addenda. Failure to do so will be at the sole risk of vendor. Should vendor find discrepancies, omissions, unclear or ambiguous intent or meaning, or should any questions arise concerning this RFQ, vendor shall notify Providence Creek Academy, in writing, of such findings by February 7<sup>th</sup>, 2022. This will allow issuance of any necessary addenda. It will also help prevent the opening of a defective proposal and exposure of vendor’s proposal upon which award could not be made. All unresolved issues should be addressed in the proposal.

Protests based on any omission or error, or on the content of the solicitation, will be disallowed if these faults have not been brought to the attention of the Designated Contact, in writing, no later February 7<sup>th</sup>, 2022.

**14. Providence Creek Academy’s Right to Reject Proposals**

Providence Creek Academy reserves the right to accept or reject any or all proposals or any part of any proposal, to waive defects, technicalities or any specifications (whether they be in the Providence Creek Academy’s specifications or vendor’s proposal), to sit and act as sole judge of the merit and qualifications of each product offered, or to solicit new proposals on the same project or on a modified project which may include portions of the originally proposed project as Providence Creek Academy may deem necessary in the best interest of Providence Creek Academy.

**15. Providence Creek Academy’s Right to Cancel Solicitation**

Providence Creek Academy reserves the right to cancel this solicitation at any time during the procurement process, for any reason or for no reason. Providence Creek Academy makes no commitments expressed or implied, that this process will result in a business transaction with any vendor.

This RFQ does not constitute an offer by Providence Creek Academy. Vendor’s participation in this process may result in Providence Creek Academy selecting your organization to engage in further discussions and negotiations toward execution of a contract. The commencement of such negotiations does not, however, signify a commitment by Providence Creek Academy to execute a contract nor to continue negotiations. Providence Creek Academy may terminate negotiations at any time and for any reason, or for no reason.

**16. Providence Creek Academy’s Right to Award Multiple Source Contracting**

Pursuant to 29 *Del. C.* § 6986, Providence Creek Academy may award a contract for a particular professional service to two or more vendors if the agency head makes a determination that such an award is in the best interest of Providence Creek Academy.

**17. Notification of Withdrawal of Proposal**

Vendor may modify or withdraw its proposal by written request, provided that both proposal and request is received by Providence Creek Academy prior to the proposal due date. Proposals may be re-submitted in accordance with the proposal due date in order to be considered further.

Proposals become the property of Providence Creek Academy at the proposal submission deadline.

**18. Revisions to the RFQ**

If it becomes necessary to revise any part of the RFQ, an addendum will be posted on Providence Creek Academy’s website at [www.pcasaints.org](http://www.pcasaints.org). Providence Creek Academy is not bound by any statement related to this RFQ made by any Providence Creek Academy employee, contractor or its agents.

**19. Exceptions to the RFQ**

Any exceptions to the RFQ, or Providence Creek Academy’s terms and conditions, must be recorded on attachment 2. Acceptance of exceptions is within the sole discretion of the evaluation committee.

## 20. Award of Contract

The final award of a contract is subject to approval by Providence Creek Academy. Providence Creek Academy has the sole right to select the successful vendor(s) for award, to reject any proposal as unsatisfactory or non-responsive, to award a contract to other than the lowest priced proposal, to award multiple contracts, or not to award a contract, as a result of this RFQ.

Notice in writing to a vendor of the acceptance of its proposal by Providence Creek Academy and the subsequent full execution of a written contract will constitute a contract, and no vendor will acquire any legal or equitable rights or privileges until the occurrence of both such events.

### a. RFQ Award Notifications

After reviews of the submitted proposals have been completed and once the contract terms and conditions have been finalized, the Providence Creek Academy Board of Directors will award the contract.

The contract shall be awarded to the vendor whose proposal is most advantageous, taking into consideration the evaluation factors set forth in the RFQ. It should be explicitly noted that the Providence Creek Academy is not obligated to award the contract to the vendor who receives the highest total point score, rather the contract will be awarded to the vendor whose proposal is the most advantageous to Providence Creek Academy. The award is subject to the appropriate Providence Creek Academy approvals.

After a final selection is made, the winning vendor will be invited to negotiate a contract with Providence Creek Academy; remaining vendors will be notified in writing of their selection status.

## C. RFQ Evaluation Process

An evaluation team composed of representatives of Providence Creek Academy will evaluate proposals on a variety of quantitative criteria. Neither the lowest price nor highest scoring proposal will necessarily be selected.

Providence Creek Academy reserves full discretion to determine the competence and responsibility, professionally and/or financially, of vendors. Vendors are to provide in a timely manner any and all information that Providence Creek Academy may deem necessary to make a decision.

### 1. Proposal Evaluation Team

The Proposal Evaluation Team shall be comprised of representatives of the Providence Creek Academy and community members. The Team shall determine which vendors meet the minimum requirements pursuant to selection criteria of the RFQ and procedures established in 29 *Del. C.* §§ 6981 and 6982 **The Team will negotiate with the qualified firm designated 1<sup>st</sup> on the preference list.** The Team shall make a recommendation regarding the award to the Providence Creek Academy Board of Directors, who shall have final authority, subject to the provisions of this RFP and 29 *Del. C.* § 6982, to award a contract to the successful vendor in the best interests of Providence Creek Academy.

### 2. Proposal Selection Criteria

Providence Creek Academy shall assign up to the maximum number of points for each Evaluation Item to each of the proposing vendor's proposals. All assignments of points shall be at the sole discretion of Providence Creek Academy.

The proposals all contain the essential information on which the award decision shall be made. The information required to be submitted in response to this RFQ has been determined by Providence Creek Academy to be essential for use by Providence Creek Academy in the bid evaluation and award process. Therefore, all instructions contained in this RFQ shall be met in order to qualify as a responsive and responsible contractor and participate in Providence Creek Academy consideration for award. Proposals which do not meet or comply with the instructions of this RFQ may be considered non-conforming and deemed non-responsive and subject to disqualification at the sole discretion of the Team.

Providence Creek Academy reserves the right to:

- Select for contract or for negotiations a proposal other than that with lowest costs.
- Reject any and all proposals or portions of proposals received in response to this RFQ or to make no award or issue a new RFQ.
- Waive or modify any information, irregularity, or inconsistency in proposals received.
- Request modification to proposals from any or all vendors during the contract review and negotiation.
- Negotiate any aspect of the proposal with any vendor and negotiate with more than one vendor at the same time.

**a. Criteria Weight**

All proposals shall be evaluated using the same criteria and scoring process. The following criteria shall be used by the Evaluation Team to evaluate proposals:

	<b>EVALUATION CRITERIA</b>	
		<b>POINTS</b>
1.	<b>Capacity</b> – Size and composition of vendor relative to the vendor’s ability to complete the project	20
2.	<b>Location</b> – Vendor’s location relative to Providence Creek Academy	15
3.	<b>Reputation</b> – General administrative and/or professional reputation	15
4.	<b>Current Projects</b> – Current projects with the State of Delaware and/or other schools	10
5.	<b>Experience</b> – Demonstrated ability with projects of similar nature and scope including schools	20
6.	<b>Expertise</b> – Expertise of project team including experience on relevant projects and qualifications	20
	<b>TOTAL SCORE</b>	<b>100</b>

**3. Proposal Clarification**

Providence Creek Academy may contact any vendor in order to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Proposals may not be modified as a result of any such clarification request.

#### **4. References**

Providence Creek Academy may contact any customer of the vendor, whether or not included in the vendor's reference list, and use such information in the evaluation process. Additionally, Providence Creek Academy may choose to visit existing sites where the vendor is working, or has completed work, which may or may not include vendor personnel. If the vendor is involved in such site visits, Providence Creek Academy will pay travel costs only for Providence Creek Academy personnel for these visits.

#### **5. Oral Presentations**

Selected vendors may be invited to make oral presentations to Providence Creek Academy. The vendor representative(s) attending the oral presentation shall be technically qualified to respond to questions related to the proposed system and its components.

All of the vendor's costs associated with participation in oral discussions and system demonstrations conducted for Providence Creek Academy are the vendor's responsibility.

### **D. Contract Terms and Conditions**

#### **1. General Information**

- a. The term of the contract between the successful bidder and Providence Creek Academy shall be for 3 years or until the projects are completed.
- b. The selected vendor will be required to enter into a written agreement with the Providence Creek Academy. Providence Creek Academy reserves the right to incorporate standard State contractual provisions into any contract negotiated as a result of a proposal submitted in response to this RFQ. Any proposed modifications to the terms and conditions of the standard contract are subject to review and approval by the Providence Creek Academy. Vendors will be required to sign the contract for all services, and may be required to sign additional agreements.
- c. The selected vendor or vendors will be expected to enter negotiations with Providence Creek Academy, which will result in a formal contract between parties. Procurement will be in accordance with subsequent contracted agreement. This RFQ and the selected vendor's response to this RFQ will be incorporated as part of any formal contract.
- d. Providence Creek Academy's standard contract will most likely be supplemented with additional applicable agreements including local and state required forms, as well as AIA documents. The terms and conditions of these agreements will be negotiated with the finalist during actual contract negotiations.
- e. The successful vendor shall promptly execute a contract incorporating the terms of this RFQ within twenty (20) days after award of the contract. No vendor is to begin any service prior to receipt of a Providence Creek Academy purchase order signed by two authorized representatives of the agency requesting service, properly processed through Providence Creek Academy Business Office. The purchase order shall serve as the authorization to proceed in accordance with the proposal, contract, and the special instructions, once it is received by the successful vendor.
- f. If the vendor to whom the award is made fails to enter into the agreement as herein provided, the award will be annulled, and an award may be made to another vendor. Such vendor shall fulfill every stipulation embraced herein as if they were the party to whom the first award was made.

**2. Collusion or Fraud**

Any evidence of agreement or collusion among vendor(s) and prospective vendor(s) acting to illegally restrain freedom from competition by agreement to offer a fixed price, or otherwise, will render the offers of such vendor(s) void.

By responding, the vendor shall be deemed to have represented and warranted that its proposal is not made in connection with any competing vendor submitting a separate response to this RFQ, and is in all respects fair and without collusion or fraud; that the vendor did not participate in the RFQ development process and had no knowledge of the specific contents of the RFQ prior to its issuance; and that no employee or official of Providence Creek Academy participated directly or indirectly in the vendor's proposal preparation.

Advance knowledge of information which gives any particular vendor advantages over any other interested vendor(s), in advance of the opening of proposals, whether in response to advertising or an employee or representative thereof, will potentially void that particular proposal.

**3. Lobbying and Gratuities**

Lobbying or providing gratuities shall be strictly prohibited. Vendors found to be lobbying, providing gratuities to, or in any way attempting to influence a Providence Creek Academy employee or agent concerning this RFQ or the award of a contract resulting from this RFQ shall have their proposal immediately rejected and shall be barred from further participation in this RFQ.

The selected vendor will warrant that no person or selling agency has been employed or retained to solicit or secure a contract resulting from this RFQ upon agreement or understanding for a commission, or a percentage, brokerage or contingent fee. For breach or violation of this warranty, Providence Creek Academy shall have the right to annul any contract resulting from this RFQ without liability or at its discretion deduct from the contract price or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee.

All contact with Providence Creek Academy employees, contractors or agents of the Providence Creek Academy concerning this RFQ shall be conducted in strict accordance with the manner, forum and conditions set forth in this RFQ.

**4. Solicitation of Colonial Employees**

Until contract award, vendors shall not, directly or indirectly, solicit any employee of Providence Creek Academy to leave Providence Creek Academy's employ in order to accept employment with the vendor, its affiliates, actual or prospective contractors, or any person acting in concert with vendor, without prior written approval of Providence Creek Academy's contracting officer. Solicitation of Providence Creek Academy employees by a vendor may result in rejection of the vendor's proposal.

This paragraph does not prevent the employment by a vendor of a Providence Creek Academy employee who has initiated contact with the vendor. However, Providence Creek Academy employees may be legally prohibited from accepting employment with the contractor or subcontractor under certain circumstances. Vendors may not knowingly employ a person who cannot legally accept employment under state or federal law. If a vendor discovers that they have done so, they must terminate that employment immediately.

## 5. General Contract Terms

### a. Independent contractors

The parties to the contract shall be independent contractors to one another, and nothing herein shall be deemed to cause this agreement to create an agency, partnership, joint venture or employment relationship between parties. Each party shall be responsible for compliance with all applicable workers compensation, unemployment, disability insurance, social security withholding and all other similar matters. Neither party shall be liable for any debts, accounts, obligations or other liability whatsoever of the other party, or any other obligation of the other party to pay on the behalf of its employees or to withhold from any compensation paid to such employees any social benefits, workers compensation insurance premiums or any income or other similar taxes.

It may be Providence Creek Academy s discretion as to the location of work for the contractual support personnel during the project period.

### b. Non-Appropriation

In the event the Providence Creek Academy Board of Directors fails to appropriate the specific funds necessary to enter into or continue the contractual agreement, in whole or part, the agreement shall be terminated as to any obligation of Providence Creek Academy requiring the expenditure of money for which no specific appropriation is available at the end of the last fiscal year for which no appropriation is available or upon the exhaustion of funds.

### c. Licenses and Permits and Other Relevant Costs

In performance of the contract, the vendor will be required to comply with all applicable federal, state and local laws, ordinances, codes, and regulations. Any relevant costs required in the performance of the contract shall be borne by the successful vendor. The vendor shall be properly licensed and authorized to transact business in the State of Delaware as provided in 30 *Del. C.* § 2502.

Prior to receiving an award, the successful vendor shall either furnish Providence Creek Academy with proof of State of Delaware Business Licensure or initiate the process of application where required.
